Mike England Timber Co Ltd, Brindle Mill, Bournes Row,
Hoghton, Preston, PR5 0DR.

Mr John J Hardman
Founder

We have been an independent timber merchant since 1969, delivering material to UK based builders, construction companies, builders merchants, DIY outlets and timber suppliers, with wide variety of the premium quality timber. As specialists in timber machining and timber coatings, we are able to offer a wide range of bespoke services, allowing us to design and produce any quantity of timber to best suit your requirements

All our products are environmentally sustainable. As approved members of the Forest Stewardship Council® (FSC®) and Programme for the Endorsement of Forest Certification™ (PEFC™), we only source our timber from sustainable well managed European forests including Sweden, Finland and Russia, Canada and Italy. We have a strong environmental ethos and are devoted to protecting the natural resources. As well as our continued commitment to ensure our customers receive the best timber supplies at competitive prices, we also guarantee a service that is both effective and efficient

Our Mission Statement

To be a flexible, efficient independent supplier of standard and bespoke high quality sawn and moulded timber products, providing the best possible value to our customers.

Factory approved coaters of Mighton and Sikens products

Western red cedar

Premium choice for cladding.

Naturally resistant to decay and insect attack.

Life span of up to 60yrs untreated.

Good acoustic qualities, helps to reduce noise.

Excellent thermal insulator.

Uncoated it will bleach to a lustrous silver/grey.

Coated helps to repel water and slows down the silvering process.

PEFC™ certification

Siberian Larch

Excellent durability due to its high density and presence of Tannins in the wood

High resistance to rot and fungal attack

FSC® certification

Redwood Thermowood

Excellent durability, class 2 rated

Thermally modified wood

This process greatly enhances stability

PEFC™ certified

Weathers to a silver/grey overtime

European Redwood

Most cost effective cladding solution

FSC® or PEFC™ certified

Ideal for Sikens or Mighton factory coatings

Coated and textured timber

Factory approved coaters of Sikens & Mighton products

Audited to ensure the highest standards

In-house facility with the latest sanding, texturing, vacuum coating and brush coating machines
